IRON KNOB

Vandals put bone on chrome gnome!

EVER wondered why gnomes generally hide away in the corners of the garden?

It's because they're ashamed of their TINY FUCKEN DICKS.

When this big stainless steel fella was ERECTED on the side of Melbourne's Peninsula Link freeway as a beaut ART PROJECT, he carefully kept his miniscule member TROUSERED to save himself from embarrassment.

But some cruel bastards have come along and UNZIPPED his gnome pants and let his DWARF PECKER hang out for passing motorists to see and GIGGLE AT.

Not fair, guerrilla gnome knob revealers.

He may be NINE METRES TALL, but deep down inside this gnome is just a shy garden ornament with a TINY COCK.

Have just a wee bit of compassion, eh. ■ Picture

New Tits
On the block

ighway TO MEL

Gemma Edwards/Lipstick Syndication

YOU get good value out of Pommy model Melissa Clarke. She's like three chicks in one.

On the one hand, she's as cute as a cupcake with a smiley-face made of icing on top. She loves cats, and wants to save all the strays and take them home. She got a bit of that sweetheart-next-door thing about her.

On the other hand, she's done heaps of modelling on the Suicide Girls website where all the chicks are

MEL AIN'T A BAD PLACE TO BE

covered in tatts and pierced from arsehole to breakfast time, AND she's a bit gothy and a devoted heavy-metal head-bangin' type.

On the, erm... THIRD hand, she won a contest in the UK a couple of years ago as the best new model of the year, so she's definitely got that brassy, Page 3, stick-ya-tits-out-and-smile thing goin' on.

So take ya pick. We figure if we ever met her, we'd just let her do her thing and just go along with whatever mood she was in.

Whichever it was, there would be drinking involved, by the sound of it.

"I party hard and drink lots of rum," she confesses, following that up by saying that the best way to chat her up would be "shots, lots of them."

"I PARTY PRETTY HARD"

OK, got that. Get the Bundy in. Maybe a couple of bottles. Tell a few jokes, too, maybe?

"Yeah, you have to be fun. If can't make me laugh, don't bother."

Alright! This bloke walks into a bar... or was it a chick into a supermarket... erm...

Anyway, she'd be a cheap date 'cos she lives on chicken nuggets and pizza, and what with her contacts in the music world – her being a celebrity DJ and all – she could probably get us free tickets to the next Eviscërated Töad concert.

And we could learn to love cats, no problem. Done deal. ■ Picture

A SHEILA has been charged with firearm and drug offenses after being arrested in Texas with a LOADED HANDGUN up her moot. On her way to the station, she told police about the shooter in her smoo 'cos she was scared it might GO ORF. When she was given a full body search, the cops found a snub-nosed Smith and Wesson with a full magazine and a round in the chamber nestled in her PRIVATE PARTS.

NEW FUNNEL WEB!

JUST when you thought you were safe on land, away from CUNTING sharks, the bright sparks at the Australian National University scientists have discovered a newer, bigger, MEANER funnel-web spider. They found a female in a national park near Jervis Bay, NSW, and she's a FUCKEN BEAUTY – 50 mm long and estimated to be over 25 years old. Her nest was nearly two metres long. They ought to breed up a big batch of these new spiders and chuck them in the ocean to scare away the sharks.

STOP FUCKEN PRESS

WHAT A WRECK!

NEXT time you total your Commodore chucking wheelies in the pub carpark, don't just drag it to the wreckers for scrap – stick it on a pole and call it ART. 'Cos that's what German artist Dirk Skreber does, and he seems to be making a GOOD EARN out of it. This is one of Dick's masterpieces, outside the Milwaukee Art Museum in the USA. "Reminiscent of scenes of Golgotha... and resonant with the idea of ancillary deaths," said one art critic, and we can't really ARGUE with that. Reckon he might still be able to salvage the stereo, though.

IT'LL BUFF OUT

TITS UNREAL

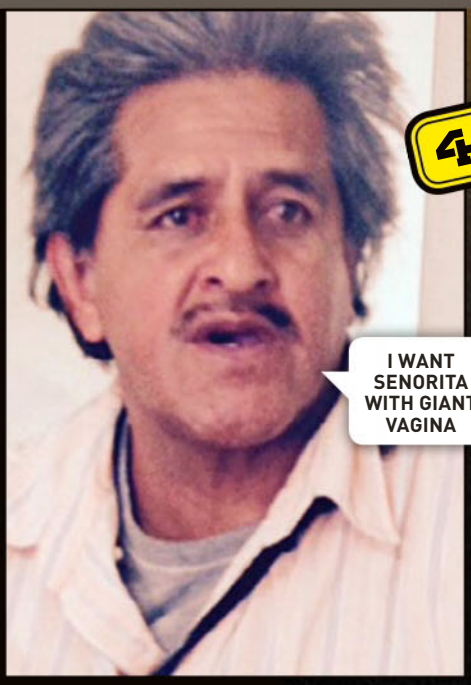
AN NEW battery-powered bra that VIBRATES and makes TITS BIGGER may come onto the market very soon. Invented by Serbian mega-genius Milan Milic, the e-Bra is undergoing clinical trials in the USA, and with any luck, you'll be able to buy one for your girlfriend this Christmas. Milan says it stimulates blood flow to the nork area, and early tests suggest it could jump your missus' mounds up a cup size in only a week. Not that WE need it, but Milan would be a pretty popular bloke if he invented a pair of JOCKS that worked on the same principal.

BOOZE-NADO!

SCARY – some say HEARTBREAKING – footage has been released of a bourbon-fuelled firestorm that destroyed three million litres of beaut booze in Kentucky, USA. A Jim Beam distillery was hit by lightning, and the precious piss was released into a standing pond nearby, still burning, when a bastard TORNADO that happened to be passing by, SUCKED UP the whiskey. The resulting GROG-OCAUST killed hundreds of fish, and the Beam people had to pay the council $30,000 for the clean-up. They could've made some dough by selling WHISKEY-MARINATED BARBECUED FISH.

SCIENCE STINKS

WORLD champion soap-dodger David Whitlock hasn't had a shower for 12 years – and he's not even a Pom! The seppo chemical engineer has come up with an alternative to bathing, a body spray containing live bacteria that does the job BETTERER. Whitto reckons it clears up acne and eczema, and eliminates the need for deodorants and moisturisers. We still wouldn't like to sit next to him on the bus, but.



48CM SCHLONG

"MY DICK'S TOO HUGE!"

Mexican loner hates his big boner

From his groin to his FUN KNEE

A MEXICAN bloke reckons his MASSIVE COCK is destroying his life.

Roberto Cabrera, 52, says the ladies refuse to have anything to do with him and his 48.2 cm MEGA-DONG, which means he lives a LONELY and MISERABLE existence.

He's even claiming he should get a disability pension because he can't hold down a job.

Apparently his GOLIATH GROANER gets in the way whenever he tries to do any sort of paid work, and the basic dole in Mexico isn't enough for both HIM and IT to survive on.

"I cannot do anything, I cannot work, I am disabled, so I want the authorities to give me support," he SOBBED.

But Bob, from Saltillo, in north-eastern Mexico, also wants some recognition for his PRODIGIOUS PECKER, and has asked the Guinness Book of Records people to have his dick certified as the world's biggest.

They told him, ever so politely, to GET FUCKED.

Bob posted what he claims is a CT scan of his Mr Winkie on the internet, but doctors have CAST SHIT on his claims, saying he's got a normal sized cock and the extra 40 or so centimetres is just EXCESS FORESKIN, and the problem could be solved with a RADICAL CIRCUMCISION.

At least if that happens, Bob can get himself a classy briefcase made from the OFFCUTS. ■Picture

Tits OR THE L

Would ya take the cash or cop a flash?

TITS!

Dan had just finished patrolling the waters for ROGUE NOAHS when Harmony appeared like a mermaid on a rock. He took the twenny. Good lad!

TITS!

They say you snooze, you lose, but not Hutcho. He was napping in the back of his van when Harmony woke him up and waggled her wumbas at him.

TITS!

Tradie, surfer and devoted BOOB MAN, Dave had had a close call with a noah just the day before, so he was sorely in need of some TITTY TREATMENT.

Velvet Cream Imagery

twenny

THE big sharks have been hangin'around the far north coast of NSW like pimply teenagers at a shopping mall on a rainy day, and they're all a bit freaked out up there at the moment.

So we thought it might help everybody CHILL OUT some if we sent Harmony along with her SOOTHING NORKS to play everybody's favourite game, Tits Or The Twenny.

Harmony hauled her hooters out all along the coastline from Ballina to Lennox Head to help the locals get over their bad case of SHARK HEEBIE-JEEBIES.

Nearly everyone opted for the pacifying effect of her achingly gorgeous WHITE POINTERS, but there were some smartarses who took the cash. Well, there always ARE, eh. ■ Picture

TITS!

A practitioner of the music style known as HIPPITY-HOP, Ricky said as a non-swimmer, he weren't afraid of no sharks. But he took a gander at the norks anyway.

TITS!

Well, TIT, actually. Ben, being a bit of a clever clogs, had an each-way bet and went for $10 and just the ONE NORK. He picked the best one, though.

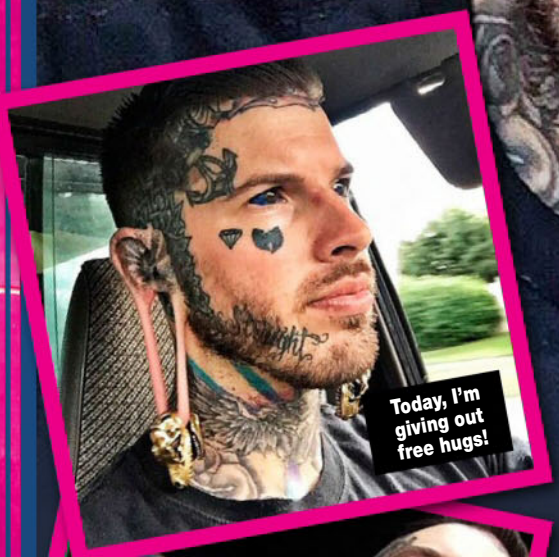
TWENNY!

Backpacker Erin took the dosh, as chicks often do when playing this game. They can look at tits any time. She can spend the twenny on SHARK REPELLENT.

DOG-BARED

Body mods a mutt-see!

BARKING MAD!



YOU wouldn't have any trouble picking Josh Hensley out in a crowd – unless it was a crowd of freaks with blue eyeballs, forked tongues, facial tatts and a couple of DEVIL DOGS for ear-rings.

Josh, from Denver, Colorado, is BIGLY into the body modifying caper, so if he sees a bit of himself that looks TOO NATURAL, he gets stuck into it with the tatt gun, the piercing needle or whatever TOOL seems appropriate.

In the case of his NIPPLES, that was a scalpel – he had those COMPLETELY REMOVED, presumably to make more room for his all-over body tatt job.

The only things he loves more than getting tatted, pierced or cut are his two Doberman Pinscher dogs, and JESUS.

So it's probably only a matter of time before he gets some holes bored through his wrists and ankles as well.

Anyway, he's a colourful lookin' bloke, and at least he's not Karl Stefanovic. Picture

"I SAW A YOWIE!"

Legendary Aussie man-beast-thing sighted near Canberra

YOWIE WOWEE!

ALONG with Bigfoot, the Loch Ness Monster and the female orgasm, the Yowie is one of life's great mysteries – but we're gunna bust it wide open!

Erm...not us exactly. We're fucken STUMPED. That's why we called in local legend and Yowie spotter Brett to do the HARD YARDS.

Brett reckons he recently spotted a Yowie while out SHOOTING AT SHIT with his mates near Canberra.

Brett, tell us what a Yowie looks like.

"From what I could see – he was hiding behind a rock – he had a massive, muscly physique. Bigger than a silverback, a huge head and no neck, with long shaggy hair like an Afghan dog. Also, it was dark and when I shone my torch onto his face, there was no eyeshine."

Fark. How'd ya stumble across that MONSTER?

"I was hunting with a few mates in a pine forest outside Canberra We were walking when we heard heavy thudding following us from the ridge above."

Coulda been a couple of friendly roos...

"We thought that's what it could be, so we whistled and chucked a few little rocks up to try and scare it off, but it didn't leave. And whenever we stopped, it would stop. So I decided to climb up with my little pen-light and see what was making the noise..."

And that's when ya saw the BIG FELLA?

"Yeah, he quickly crouched down and slid behind a rock – a very smart, human-like movement. He was about 40 feet away, and I could hear his heavy breathing."

Reckon we could ever catch one?

"I think it's possible. If we netted off a big area and sent helicopters over the top looking at the bushland we could probably find one, but that's just never been done. Only to drug and take samples of, though, as it didn't seem too aggressive."

Geez, Brett, we dunno if you should be givin' these big bastards DRUGS. But you know best... Picture

Yowies have big shoes to fill...

SHE GOT

High-rise thighs hold a BIG surprise

LEG men, be prepared to lose your shit.

Lauren Williams' pins are the longest known legs in the US of friggin' A, measuring 124.46 cm from heel to hip.

Not surprisingly, Lauren's from Houston, Texas, where everything is bigger, not just the hats.

The 193cm-tall model comes from a very ELONGATED family, with her mother and sisters all over 183cm, and her dad a PREPOSTEROUS 198cm tall, so she was never gunna be a SHORT-ARSE.

She reckons she knew she was different, even as a kid.

"It was just always something about me," she says. "I never realised that it would turn out to be such a big deal, but I'm really excited."

Beautly, she's been able to earn a buck out of her PERPETUAL PINS by modelling for sportswear and swimwear companies, in between wiping the floor with her opponents in volleyball competitions. In addition, Lauren's other talents MAY include:

- Changing light bulbs in ceiling fittings
- Getting stuff out of that really high kitchen cupboard
- Early rain detection, AND
- Kicking screaming six pointers from the centre square.

She's probably got a really nice BOTTOM, too, but every time we looked up to have a perve, we got a nose bleed. Picture

This was obviously in the days before they invented CONDITIONER.

IF YOU thought tits-out stunners were invented by the internet just a couple of years ago, you'd be dead fucken wrong.

They've been around since Adam was perving on Eve's apples, way back... erm...YONKS AGO.

Of course, it helped when some cunt invented photography so we could all have a geek without actually having to BE THERE.

CAR-NAGE!

PEOPLE will say NASCAR driver Austin Dillon is a lucky man for escaping this wreck with barely a scratch, but we reckon he's extremely UNLUCKY. Tearing around the Daytona Speedway with speeds of up to 320km/h, the poor bastard clipped his mate, old number 11, and went flying, ripping a 20-metre hole in the fence. "I'm just going to be really sore," moaned Austin. "It got my tailbone pretty good and my arm. Should be fine, just got to ice it up." Atta boy, Austin. It wasn't just the Seppo stuntman in the firing line though, five spectators were treated for injuries. But we all know the boozed-up Florida crowd were there to see blood spilt, they just didn't realise it was going to be theirs. "I'm just praying for everybody," he moped. "And I'm glad the good Lord looked out for me tonight." Alright Austin, but you should probably also thank your padded jacket, huge helmet, and INDESTRUCTIBLE CAR.

Talking Dirt

100% uncensored sex advice from Australia's hottest stripper!

FUCK-TROPHIES

DO YOU know of any people that still have a functioning sex life after having kids? It seems that all of my mates who have kids get fuck all now. And down at the pub they all talk about how they aren't getting any. It's making me never want to have kids. And I reckon that's the most logical thing to do if I keep wanting to have sex. What do you reckon, Trin?

TRAV, VIA EMAIL

TRINITY SAYS: ***Like any relationship, kids or not, over time the novelty wears off and it's up to both partners to make a conscious effort to keep the spark. Most do become complacent, hence why they whine. However, I do know some amazing couples that still fuck like rabbits! It's up to the people not the situation – remember that!***

BEATING FOR TWO

LAST night, I was having trouble getting to sleep, so I rubbed one out next to what I thought was my sleeping wuzza. Turns out she wasn't asleep, 'cos she texted me the next day saying she loved watching me wank in bed next to her. She said she felt the pleasure as I did and she reckoned she came at the same time as I did. She wasn't touching herself, either. She's asked if I would do it more often when she's around. I'm stoked and will definitely do it, but I've never heard of this before. Have you ever heard of someone feeling the same amount of pleasure as you without being touched?

NIGHT-WHACKER, REDBANK, QLD

TRINITY SAYS: ***Yeah, absolutely! People can definitely get turned on watching and being around others that are getting off. Most don't usually cum without stimulation, but it's not impossible. I think it's great you've both found this new fun – enjoy!***

VEHICLE PICKLE

I'VE heard that the smaller your dick is, the more expensive a car you should buy. I've got an average-sized dick, about 15cm when it's reached its final form. So what type of car should I buy? Something mid-sized, like a Commodore maybe?

REGULAR JOE, BURWOOD, VIC

TRINITY SAYS: ***Ha! I haven't heard anything like this in my eleven years of writing. Love it. Mate, don't worry about your dick size, buy whatever car you want. You don't want some***

Gary Santos, Naughty America

shallow-arse bitch who only wants you for your car anyway. Get the right car for you, and the right woman will naturally come too.

A WEE PROBLEM

MY GIRLFRIEND'S a squirter. It's sexy as fuck, but to be honest, it ruined my last mattress and I just got a new one. I bought a waterproof mattress off eBay, but the problem is, I put it on and I slept like shit with it because it is way too fucken hot and sweaty. The old method I used was just putting down a towel every time but that didn't catch all of the juice a lot of the time. I can't be the only bloke with this problem. Any suggestions, Trin?

DROWNED RAT, VIA EMAIL

TRINITY SAYS: You can get a special plastic overlay that goes over your mattress, and then put your sheets and blanket down as usual etc. Yes, you will need to change the sheets but at least the mattress won't get wet!

AGE OLD QUESTION

I'M A 23-year-old woman who has pretty much preferred being with older blokes since I was 18. I've had sex with blokes my age, but I find the older ones are heaps more generous with their affection. I'm curious to know if you think the same, Trin. Also, do young blokes find it with older broads?

TAMARA, PERTH, WA

TRINITY SAYS: No, the effort definitely varies; however I do find that old men on average know better how to please a woman. Not to say I haven't been with some epic younger lovers – bless you, boys! So don't shy away from them, doll. It's usually the same for the ladies' situation as well.

LONGING FOR LENGTH

I ALWAYS want to last longer during sex because for me the sex itself is better than actually coming. In my previous relationships, I have done okay but still not as good as I wanted to. I was with a girl I really liked last night and she barely touched it for a few seconds before I felt close already. It's embarrassing and it's always in the back of my mind whenever I'm rooting. What can I do, Trin?

CHARLES, NO ADDRESS GIVEN

TRINITY SAYS: Nasal delivery technology, tablets, sprays, mental exercises – there are loads of options. Consult your local GP as to what best suits you.

TRINITY'S SEX TIP

If at first you don't succeed, try and try again – or so the saying goes. Apply that to any sexual act you fail at – anal, deep throating, double penetration etc... Not only are all these pleasurable, but the rewarding feeling when you finally accomplish it makes it so much sweeter.

"OLD MEN KNOW HOW TO PLEASE A WOMAN"

DICK PIC TRICKS

THIS chick wants a dick pic of me, she's sent me a ton of pics of herself, but I've only got a small one. To make it worse, I'm African, so she probably thinks I've got a monster cock on me. How do I make it look bigger and better in the picture?

MAGNUS, VIA EMAIL

TRINITY SAYS: I definitely don't encourage false advertising because, mate, when she sees it in real life, she's going to be bitterly disappointed. But if you insist, just remember a good pic is always about angles. Shoot from the bottom up – it will make it at least look a bit longer.

HARD CUNT

I READ that Viagra works as well for chicks as it does for blokes. Apparently it gets the blood flowing to the clit and gets you moist as. Have you tried taking any or are you interested in trying? And what's the best way of suggesting to my wife that she should take it? 'Cos I'd kinda like to have sex more than once-a-fucken-month.

PILL POPPER, BANKSTOWN, NSW

TRINITY SAYS: Ha! What aren't you doing for her not be stimulated in the first place, mate? I've heard it works for women too, but not to the full extent that it does for men. Try doing things she likes, and complimenting her ,rather than straight-up just trying to drug her.

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

Get up ya SOOK!

POMMY soccer players are always making a song and dance about fuck all. Like if somebody BRUSHES THEIR SLEEVE, they'll fall over and squeal like a pig for half an hour, then demand a new Lamborghini before they'll keep playing.

We're not saying they're soft, but some of them have been tossed out of pubs by CUSTARD. OK, we ARE saying they're soft. Let's face it, they are the CRÈME DE LA SOOK.

So we were quite pleased to see Chelsea player Gary Cahill actually BLEED when Chelsea goalie Asmir Begović biffed him in the schnozz while trying to punch the ball away.

It wasn't anything serious, just a broken nose, and Gaz will live to sook another day, but just to see a bit of claret rain down on a Pommy soccer pitch does ya heart good, doesn't it?

It gives us hope that during the next FA Cup final we won't be treated to the sight of a player CRYING on halfway because someone on the other side LOOKED AT HIM nastily. And as for you, Gaz, old mate – GET UP, YOU WHINGING FUCKEN POMMY SOOK CUNT. There. We're glad we got that off our chest. ■ Picture

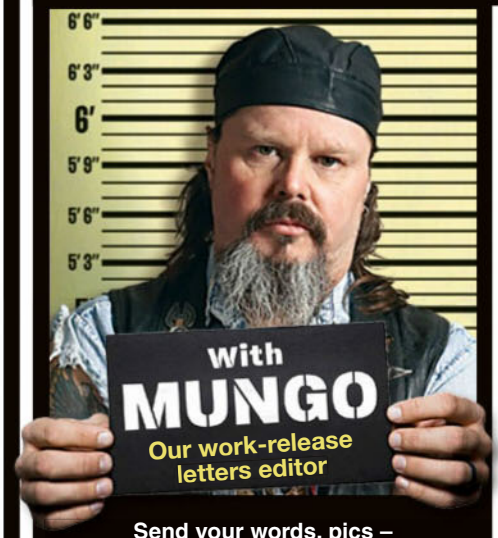
Readers' World



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2001, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

DON'T DO IT!

MUNGO, there has been a lot of talk lately about same-sex marriage, but what about people like me who are in "no-sex" marriages? We are the real victims.

P.C., PARAP, NT

MUNGO SAYS: I reckon once our champion homo mates get a taste of what marriage is really like, they might rethink their options and go back to living in beaut sin. They'd save themselves a fucken fortune in the long run, too. Divorce lawyers across the country are probably already ordering their second Maserati at the prospect of the coin to be made once gays and lezzos can get legally married like us poor straight bastards.

ROOTING WITH PROFESSOR MUNGO

HEY Mungo, Trinity gives us readers good tips on sex-related topics, but what I want to know is what is your number one tip for doing the Mungo mambo between the sheets. C'mon, spill the beans!

C.C., TUMBI UMBI, NSW

MUNGO SAYS: For a start, leave the beans out of it. Beans have no place in the bedroom. Other than that, always do your pre-nookie stretches so you don't do a hammy mid-root, keep well-hydrated, do your share of the heavy lifting and don't wipe it on the curtains afterwards. I do have fancy possies I invented myself, but they're trade secrets, and I'd need a powerpoint presentation to explain them properly.

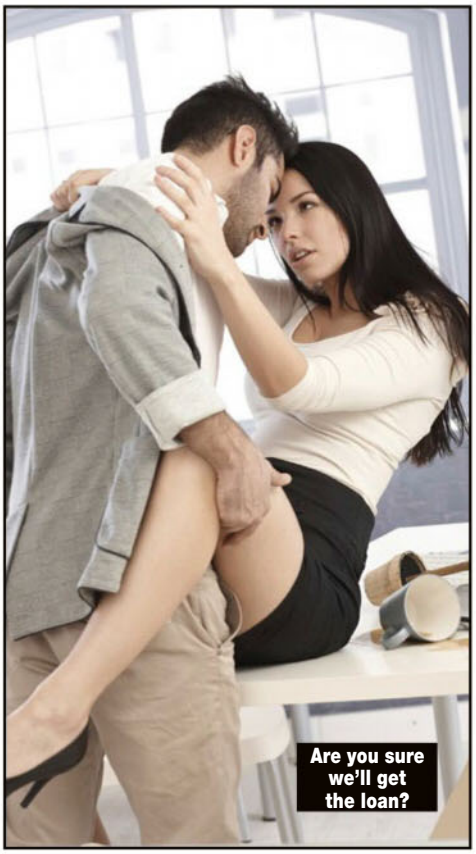
ALL PRAISE US!

I JUST wanted to say hullo to all the people at THE PICTURE and thank you for the great work you do. I know a lot of people find your magazine a bit crude, but I know you respect all your models, and your motivation is to simply bring happiness to people who want to appreciate the photos and have a laugh. So keep up the great work and a big thank you to all involved, and of course, the great, great models.

G.W., CESSNOCK, NSW

MUNGO SAYS: Aw, shucks. I think I'm gunna blub... OK, I'm over it now. And who are these cunts who reckon we're crude? Fuck 'em. But thanks, G.W., we'll take whatever praise we can get.



YOU CAN BANK ON IT

DURING one of our philosophical discussions in my man-cave, as us blokes tend to do, we came up with our best 'up yours' moments. I reckon I won by shagging the missus on the bank manager's desk. This was back before CCTV cameras spoiled all the fun. Both being cleaners at the time, we left the office in pristine condition, but jeez, it made me smile every time I saw the pompous bastard. How about you, Mungo – what's your best 'up yours' moment'?

J.H., SEVEN HILL, NSW

MUNGO SAYS: Coincidentally, probably the time I shagged your missus on the bank manager's desk, too. HA HA HA HA HA! Nah, not really – it was actually up against the filing cabinet. HA HA HA HA HA! Nah, I've never shagged your missus – which makes me about the only one! HA HA HA HA HA! Shit, I'm on fire today...

HAIRY MARY

IN ISSUE #1383, page 28, you had photos of Mary showing her beautiful hairy pussy. Would there any chance of her doing a photo spread for PICTURE PREMIUM? If there is, I'd like to know because I wouldn't want to miss seeing that.

D.E., WAHROONGA, NSW

MUNGO SAYS: Dunno, mate, but it's good to know that the fur pie is still appreciated out there, in the midst of all this brazilian stuff. If PREMIUM is gunna run her, we'll be sure and let ya know. Here's some more of Mary's BEAUT jungle vajoot to be going on with in the meantime.

MUNGO WANTS TO KNOW...

Summer's coming, and that means putting flesh on flame. Send me photos of your home-made barbies, the fancier and wackier the better, and if I use it I'll send you one hundred crisp steak vouchers. Or, y'know, a cheque.

You're Joking

AN UGLY man walks into a bar and a beautiful woman approaches him.
"How would you like to get out of here?" the woman asks the man.

The man is amazed. He never thought a woman like her would ever approach him so he quickly agrees. They both get into his car and drive really far. He stops at a cliff with the view of the whole city. Within seconds, they start taking off their clothes. After 15 minutes of vigorous sex they finally finish. They both put their clothes back on and sit there awkwardly.

The woman speaks up, "I'm a prostitute and it's going to be 100 dollars for my service."

The man is stunned and saddened that she didn't really like him. He gives her the money and they both sit there.

The woman says that she is ready to leave and the man replies "I'm a taxi driver and it's going to be 150 dollars for the ride here and back."

DAVE went down to the supermarket. At the register, there was a pretty long wait. In the queue next to him, a hot blonde turned to him and smiled. Dave says: "Hi! Do we know each other?"

"I'm not sure, but I think you might just be the father of one of my kids!"

Stunned, Dave thinks about it for a moment. "Oh my god, are you the stripper I fucked on the pool table during my bucks party in front of all my friends while your co-workers spanked me with a stick and put a cucumber up my arse?"

The hot blonde answers: "No. I'm your son's English teacher."

P.K., MALVERN, VIC

MY sexual fantasies are getting weirder by the day. But it wasn't until I spanked a statue that I realized I'd hit rock bottom.

A DRUNK enters a confessional booth. The priest is waiting for the sinner to speak up, but the drunk doesn't say a word. After a while the priest coughs... nothing... He coughs again... nothing. The priest was patient until now, but enough is enough: he starts banging on the wooden grid. The drunk finally speaks up:
"Forget it, mate. There's no bloody toilet paper in here either."

BILL, the noted cheapskate, nipped into the dentist's for a poke around his molars. "What's the problem?" asks the dentist.

"I've got a bad tooth that needs to be pulled," replied Bill.

"Well for $200, I can put you under and pull the tooth, you won't feel a thing," says the dentist.

"Nah, that's way too much money, what else you got?"

"Well, for $150, I can give you a numbing shot in your gum and pull the tooth, you'll feel more pain than the first option though."

"Nope, still way too expensive?"

"Well, for $100, I can put some topical numbing ointment on your tooth and then pull it, I'm not gunna lie, it's still going to hurt like buggery."

"No way. Still too much money, what else ya got?" asks Bill.

"For $25 bucks, I can give you a Viagra and then pull your tooth," says the dentist.

"What does the Viagra do, exactly?" asks Bill. "It gives you something to hold on to while I rip that tooth out."

S.K., SWANSTON, VIC

THE OWNER of a large factory is being shown around the new premises of his updated factory. They walk through one shut door, only to find a man and a woman rooting like rabbits on a company desk. Immediately the factory manager slams the door shut and apologises profusely to his boss.

"Fire him!" screams the boss.

"Well, actually he is six months into designing some software that we've paid six hundred thousand dollars for, and he'll be finished in another month," retorts the factory manager.

"Fire her then!" shrieks the boss.

The factory manager hesitates once more. "Actually, she's the only employee who knows how to operate one of our machines and has not finished teaching our other employees."

The boss looks around in disbelief. "Okay, get rid of the fucking desk!"

HOME Alone

Julia's fingers do the walking

WALK THIS WAY TO TASMANIA

"I HAVE QUITE A FEW TOYS"

SMART fellas in white coats somewhere have discovered it's healthy for blokes to do the FIVE KNUCKLE SHUFFLE. Fucken der, we've been saying that for years. But now that it's been scientifically proven, you can look at the beaut KNOCKERS of Julia all day with the knowledge she's making you a better man.

The 20-year-old spunk from Launceston, Tassie isn't surprised about the findings either. "Everyone's happier after a wank!" exclaims the blonde. "It makes perfect sense to me." ***How often do you JILL OFF, Julia?***

"It hasn't been too often recently, as I've been having lots of sex. But if I wasn't fucking heaps then probably a few times a week, unless I'm feeling really horny, then maybe a couple more."

Do you play with the little man in the boat? Or go all out and stuff the taco?

"I usually just touch myself a little bit – nothing too aggressive. I have quite a few toys, but I don't really use them by myself; it's all fingers."

So when do ya whip out the toys?

"If I bring a guy back to my place, and I feel it's the right man, then I'll pull one out, probably just my Hitachi vibrator."

Do you get the bloke to use it on you?

"IT FEELS BEST WHEN I'M IN COWGIRL"

"No, they're pretty expensive, so I don't let him touch it. I'll use it on myself while he fucks me though. It feels the best when I'm in cowgirl and I can just push it onto my clit, while his dick is inside me. It'll make me come in seconds!"

Does the bloke ever get jealous that he's being shown up by a ROBOT WANG?

"You've gotta take it in your stride! There's plenty of things I like from a man that my vibe can't give me – a kiss, a cuddle after sex, or breakfast."

Good luck finding a bloke that'll do THAT. ■ Picture

FOREIGN
PRINCESS

JOYCE

NIGERIA, AFRICA

POPULATION: 186 million
LANGUAGE: English
AVG. BRA SIZE: 36DD

NIGERIA – DIDN'T THEY HAVE THAT PRESIDENT WITH THE BEAUT NAME?
You're probably referring to their fourth president, Goodluck Jonathan, whose name makes us smile even today.

JOYCE LOOKS A BIT STERN, BUT. YOU WOULDN'T WANT TO SPILL HER BEER.
No indeed. She's got a pretty good "What the fuck are you lookin' at?" stare going on. Plus, she looks like she could bench press a Volkswagen. We put her impressive physique down to her day job of panel-beating, which, along with a bit of nudie modelling here and there, pays the bills while Joyce waits for her big break in Nollywood.

NOLLYWOOD? WHAT THE FUCK IS THAT?
That's what they call the Nigerian film industry. It's fucken huge! In terms of number of films made each year, it's second only to the Indians, and pisses all over the Seppos. One day, Joyce hopes to crack the big time and be as famous as Nollywood stars such as Funke Akindele, Tonto Dikeh and Chioma Chukwuka.

WHERE WOULD A BLOKE GO TO MEET SUCH A STUNNING LADY AS JOYCE?
Well, Nigeria, obviously. She has been known to shake her handsome booty to some highlife

and Afrobeat in the nightclubs of Lagos, the country's biggest city.

WOULD SHE BE OPEN TO AN APPROACH FROM AN OUT-OF-TOWNER?

Of course! Nigerians are a friendly people, and generally very hospitable to visitors. Although be prepared to break a sweat, for Joyce is a young woman in her prime and could probably root you to a standstill, demand an encore, then kick your arse if you can't back up.

ANY COOL TRICKS?

She can crush beer cans between her thighs, so imagine what she could do to your skull. Yikes!

BY ANY CHANCE, DOES JOYCE HAVE A BROTHER WHO'S A PRINCE AND NEEDS TO SEND MONEY OVERSEAS URGENTLY BUT CAN ONLY DO SO IF YOU GIVE HIM $500 AND YOUR BANK ACCOUNT DETAILS?

Erm... we asked her, but she just gave us the death-from-above stare again, so we dropped it. ■ Picture

Sexy
LEXI
She's all about the surf and girth!

Made in Oz Girl

DON'T hassle Lexi with invites to the cinema or promises of a fish dinner, she'd prefer something LONG, HARD and FAST – a surfboard! Failing that, this 22-year-old student from Caloundra will happily settle for a nice, hefty PORK SWORD. "Surfing is my number one passion, closely followed by sex," giggled the blonde.

BLONDE HOTNESS AROUND THE CORNER

"Both activities are great workouts, and fill me full of joy."

Have you ever CRUMBED YOUR SCHNITTY at the beach?

"Yeah, I think that's a rite of passage if you grow up by the ocean. Well, it certainly was for my friends and I – we've all done it."

Did ya get sand in ya VAJOOTZ?

"Yep, the first time I did it, there was definitely more sand than I'd expected, and it was very uncomfortable. But every time after that, I always made sure we laid down a towel or shirt or something underneath."

You're a thinker! Blokes must love your cans.

"Oh they do! That's the first thing guys do when we get to the bedroom, off with the top and in they dive. I'll sometimes have to pull their head away and start grabbing their dick to distract them!"

That'll work – what's ya fave kinda SCHLONG?

"That old saying 'Bigger is better' is definitely true, but not about the length. I like my penises fat – girth is the most

"SALIVA IS GOOD – THE MORE THE BETTER"

important thing. I don't care how long your dick is, if it's skinny then I don't wanna piece of it."

You're a dream destroyer, Lexi...

What are your BJ skills like?

"Top shelf, I've watched a lot of porn so I know all the best techniques."

Care to share?

"Saliva is good, the more the better; guys seem to really enjoy it when their dick is just dripping. And I've noticed gagging really gets blokes going, although I'm not sure why – maybe it makes them think they have a big cock?"

Don't ask questions, Lexi. Just keep on doing what you're doing! ■ Picture

My Best Fuck

RIDE 'EM, COWGIRL!

AFTER being dumped by my boyfriend, who just wanted to spend more time with his mates, I was determined I was gunna find myself a man who'd do more than fuck me for three minutes in missionary, then roll off and go to sleep.

But every bloke I met seemed to be a clone of my ex, so I was getting pretty frustrated by the time one of my girlfriends suggested we catch a male strip show.

I went along, even though what I needed was to scratch my itch, not just get itchier.

But the guys were hot, and it wasn't such a bad thing sitting there getting wet in the undies.

We were ready to call it a night, when I noticed one of the dancers hanging around in the bar, and I was surprised when he came over and asked if we wanted a drink.

Fuck yeah, I thought. He was tall and cut, and had long wavy hair, just what I imagined when I diddled myself with my vibe every night.

My girlfriend did that 'look at her watch, gotta go' thing, and left me with him, and by the time he went to get us another drink, I was booking a hotel room on my iPhone.

I had him back there in about ten minutes, and so began the best night of sex I'd ever experienced.

He had the body and the cock I'd always dreamed of, he had stamina and imagination and seemed to know exactly which buttons to push.

He fucked me like I'd always wanted to be fucked, and I had my fourth orgasm while riding him cowgirl-style and yelling "Yee-ha!"

Turns out my girlfriend had set me up with the guy, who was a friend of her boyfriend, but not only didn't I mind, I sent her a bunch of flowers the next day.

GO DRAGONS!

BEING a lifelong Dragons fan, my best fuck ever happened on the day they won the NRL premiership in 2010.

I was nervous as shit in the days before the game, and made sure I was gunna be alone to watch it because of the potential emotional fall-out if they lost.

My girlfriend Karen, being the champion she is, understood completely, and left me on the couch with my beers and snacks to watch the game and went out for the arvo.

Grand finals are never easy when your team's competing, and even harder when they haven't won one for 30 years, but when it became obvious we were gunna win, I got less nervous and began to wish Karen was there to share the joy with me.

But a few minutes after full time, I heard her key in the door and she came in decked out in a tight white T-shirt with the big red V on it, a red-and-white mini-skirt, and underneath a white G-string with a dragon on the crotch.

Turns out she'd been listening to the game on the radio and had prepared beforehand to give me the celebratory fuck of a lifetime.

She jumped on me and gave me a big tonguey while grinding that little dragon up and down my premiership stiffie, then dragged my jeans off to give a blowjob that would've earned her the girl of-the-match award.

Then she pushed me back on the couch, whipped off her G-banger and mounted me, so as I was feeling her tight little moot squeezing my old fella, I looked up and saw nothing but a blur of red and white and her 36D tits heaving up and down until I blew my wad.

I asked her to marry me the next day. How could I let a woman like that get away?

UP UNTIL I was about 20, I'd only ever rooted girls my age, and most of them were pretty shit at it. Then I met Sandra. She was 37, and the first time I saw her, she was sitting in a pub on her own, drinking scotch. Most of the chicks I knew drank sticky girl drinks and only went to pubs in groups.

As soon as I walked in she gave me a wicked grin. Pretty soon we were having a convo, and she was flirting hard.

She had great tits and was pretty hot for an older babe, so when she asked if I wanted to come back to her place, I said yeah, even though I was a bit nervous about the age difference.

She had her own terrace house and a fridge full of grog, and once I was sitting on her leather couch with a glass of champagne, she started rubbing on my cock through my jeans.

Then she told me to hang on, and disappeared upstairs. When she called down to me that she was ready, and I bolted up.

She was laid out on a four-poster bed, naked except for a few bits of jewellery, and there was another bottle of champagne in an ice bucket on the bedside table.

As soon as I walked over, she wrestled my cock out of my jeans and gave me the best blowjob of my young life.

And that was just the start. She fucked me every which way, in positions I'd never even heard of, and even when I blew my load, she sucked me off to get me hard again, and we got back into it.

I fucked her quite a few times after that, and every time was amazing. Eventually we lost touch, and I never saw her again. But she was my best root ever.

AMELIA
WOLLONGONG, NSW

It is not always fun and games being dragged to family gatherings full of your in-laws. Luckily 26-year-old student Amelia has a top tip to get you through the night. "At my ex's mum's 50th birthday, when we were all out to dinner, I gave him a wristy under the dinner table." ***Did you get busted?*** "Almost. His brother wanted him to go to the front bar with him, so I had to stop briefly. But when he came back, we waited a bit and kept going." ***How did you manage SPLOOGE disposal?*** "It went on me, and there was some on him." ***What makes a good wristy?*** "Soft hands and a firm grip." ***With those boobs, you must also be a master of the TIT WANK.*** "Not quite yet." ***What size are they?*** "I have no idea what size they are. I stopped measuring." ***There are only so many numbers.*** "They get me lots of attention." ***We're certainly paying heed.***

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE? "I haven't had one."

"I gave my ex a wristy under the dinner table"

MYA
PARAP, NT

French traveller Mya, 23, misses the terrific food back home as she "sees lots of parts of Australia". She also misses the cold weather – probably why she is getting out of her stifling clothes in the steamy Top End. ***Was the heat so unbearable you just had to get STARKERS on camera for us?*** "No, I have posed nude in France, too. I have done modelling and been a dancer there." ***What bit of your naked body are you most proud of?*** "I like my eyes. That is it. I don't really like my body, so posing nude is a challenge every time for me." ***A challenge we all applaud. Once our hands are finished elsewhere. What will you miss about Australia?*** "The people. I love the people here. And the landscape." ***Have you expressed your love for the people with a series of MADCAP sexual adventures?*** "No, because I met someone here and we are together." **WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?** "It was special. I was stressed, but it was not too bad."

"I go to BDSM parties"

ROXIE LIEGH
ADELAIDE, SA

Twenty-year-old baker Roxie Leigh gets all our loaves rising. ***What do you get up to away from the bread oven?*** "In my spare time I like to take long, romantic walks along the beach." ***Yawn. Sounds like the YEAST of it.*** "And then go to BDSM parties." ***Hur-hur. What gets you off about BDSM?*** "The bruises that are left for two weeks." ***So you like to receive rather than dish it out.*** "Yes, I am more of a submissive. But I do not mind the occasional switch of roles." ***What is the most out-there thing you have seen at a BDSM party?*** "Knife play." ***Phew-wee! That will do it.*** "Yes, cutting is pretty hectic."

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?

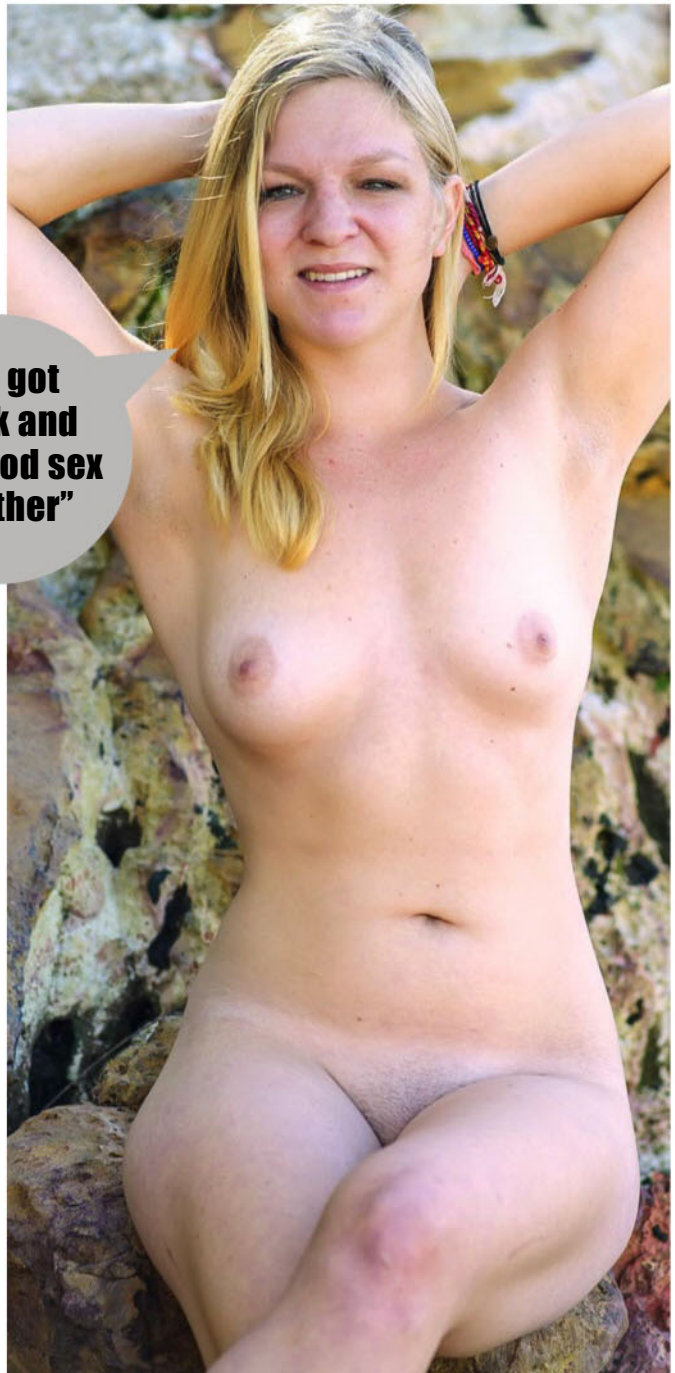
"This one time after BDSM camp, I took a 40-minute muff-diving lesson and now I am qualified as a professional diver. Now this is the story all about how my tongue got flipped and turned around. I'll take a minute or 40, just sit right there, and I'll show you how I became the muff diver of Belair."

SERENA
GRAY, NT

"I am laid-back and open-minded, love to meet new people and love travelling," says 22-year-old German SPUNK Serena. ***Other than professional nudity, how are you financing your travels?*** "I work as a pizza delivery driver. It is a pizza cool job. It is fun on the scooter." ***Ever been offered to "come inside and have fun" when delivering pizza?*** "No, not that way. But I did get asked what I do after work and if I wanted to join them drinking later. So it was a bit of a softer approach."

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?

"I just recently had my first threesome, which was pretty hot. My friend and I met him on a weekend and he slept with her and tried the next day to sleep with me. So my friend and I decided we could something about that. We got drunk and had good sex together. I liked the variety; it was good to have a cock and another pussy. Sex with a girl was less weird than I thought it would be."



"We got drunk and had good sex together"

"She gave me one of the best orgasms I've ever had"

BAILEY
BOWDEN, SA

With an arse like that, this 20-year-old member of the infantry is definitely a CRACK SHOT. "My duty is to be ready to defend our country in peacetime and to capture, destroy and repel enemy ground forces during combat. Handling fire arms and being overseas is the highlight of my job." ***You probably like getting home sometimes.*** "When I am home, I have to catch up on lost sex." ***Must be hard finding where you left it when you get back.***

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE? "I went out with friends in Dubai and was introduced to an extremely beautiful girl named Martine who had an exotic look about her. I never thought I'd be interested in women, but Martine and I went back to my resort after and flirted a bit after a few wines. Martine and I spent the night caressing one another's breasts and one thing led to another. Let's just say women really do know how to please another female. She gave me one of the best orgasms I've ever had."

SASHA
SALISBURY HEIGHTS, SA

A 21-year-old stay-at-home mum, Sasha is "always up for some fun". ***You look pretty happy posing.*** "I love porn. These naked pictures are probably one of the naughtiest things I have done. But then again, I once slept with a married woman." ***Tell us about your love of porn.**** "My favorite type would be hardcore lesbians. Nothing gets me wetter. The thought of two chicks hooking up gets me wet every time. I love seeing two or more chicks having sex with dildos and coming everywhere." ***Watch it alone or with friends or lovers?*** "Always alone. It is more fun that way." ***Ever made your own porn?*** "Yeah, I used to record it with my ex." ***Want some career advice?*** "I've never thought about it professionally, but maybe one day might give it a go."

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?

"When I was 16, me and a friend just hooked up one day just to see if chicks were different. Ever since then, I have found females so sexy; I'm always checking one out."

XOE
SEAFORD, SA

Nineteen-year-old Xoe isn't your ideal companion on a pig-shooting weekend. "I really care for animals, I just want to save them all." ***Surely you have a naughtier side, as well.*** "I have done anal a fair few times and I love it. I love the feel of it, just everything; it gives me the biggest orgasm." ***Judging by our BULGING mail sack, most of our readers' girls are afraid to try anal. Why?*** "I imagine because they think it's going to hurt. But as long as you're relaxed and not nervous, it shouldn't hurt. The more you do it, the easier it gets." ***Ever done DP?*** "I haven't, but I do want to." ***Had group sex or a threesome?*** "I've had a threesome with my best friend and ex-boyfriend. It was just a really fun experience; I would definitely do it again." ***Was it strange MUFF-DIVING on your best friend?*** "It wasn't strange when we did it, but the next day was a little awkward." **WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?** "I was a bit young. It was with a friend."

"My boobs are my favourite part"

ARIA
MANLY, NSW

Since arriving in Australia from France, 21-year-old traveller Aria has gazed upon "crocodiles, wallabies, Kakadu, Litchfield, markets and beautiful sunsets". And in return, she is showing the country her tits. And her SMOO. ***Will people back in France know you posed nude in our magazine, or is it a secret?*** "No, it is definitely a secret. But posing nude was very fun, thank you." ***What do you like about your body?*** "My boobs are my favourite part." ***What gives French women their worldwide reputation for sexiness?*** "It has to be the French accent." ***Are there regional French accents that are not so sexy?*** "Yes. In the north of France, it's not sexy." ***What will you miss about Australia on the tragic day that you leave our shores?*** "The sun, the beach and my boyfriend." ***Have you been SKINNY DIPPING in Australia?*** "Just in my pool at my house." ***Let us know if you need anyone to come round test your chlorine levels.***

Get sick soon, folks. This 28-year-old mum of three is studying nursing, so a bit of disease may earn you an up-close look at her colossal FUN BAGS. ***Lordy. What size are they?*** "Sixteen G." ***They must get HEAPS of attention.*** "My boobs are massive and get me lots of attention from men and women. When I was younger, I flashed them at a police officer. I didn't get arrested, though. I was drinking with friends and the cops came and told us to rack off home, so I flashed him. Back then they were 14DD. I ran off with my mates." ***Where else do you flash them?*** "They are always out. WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?

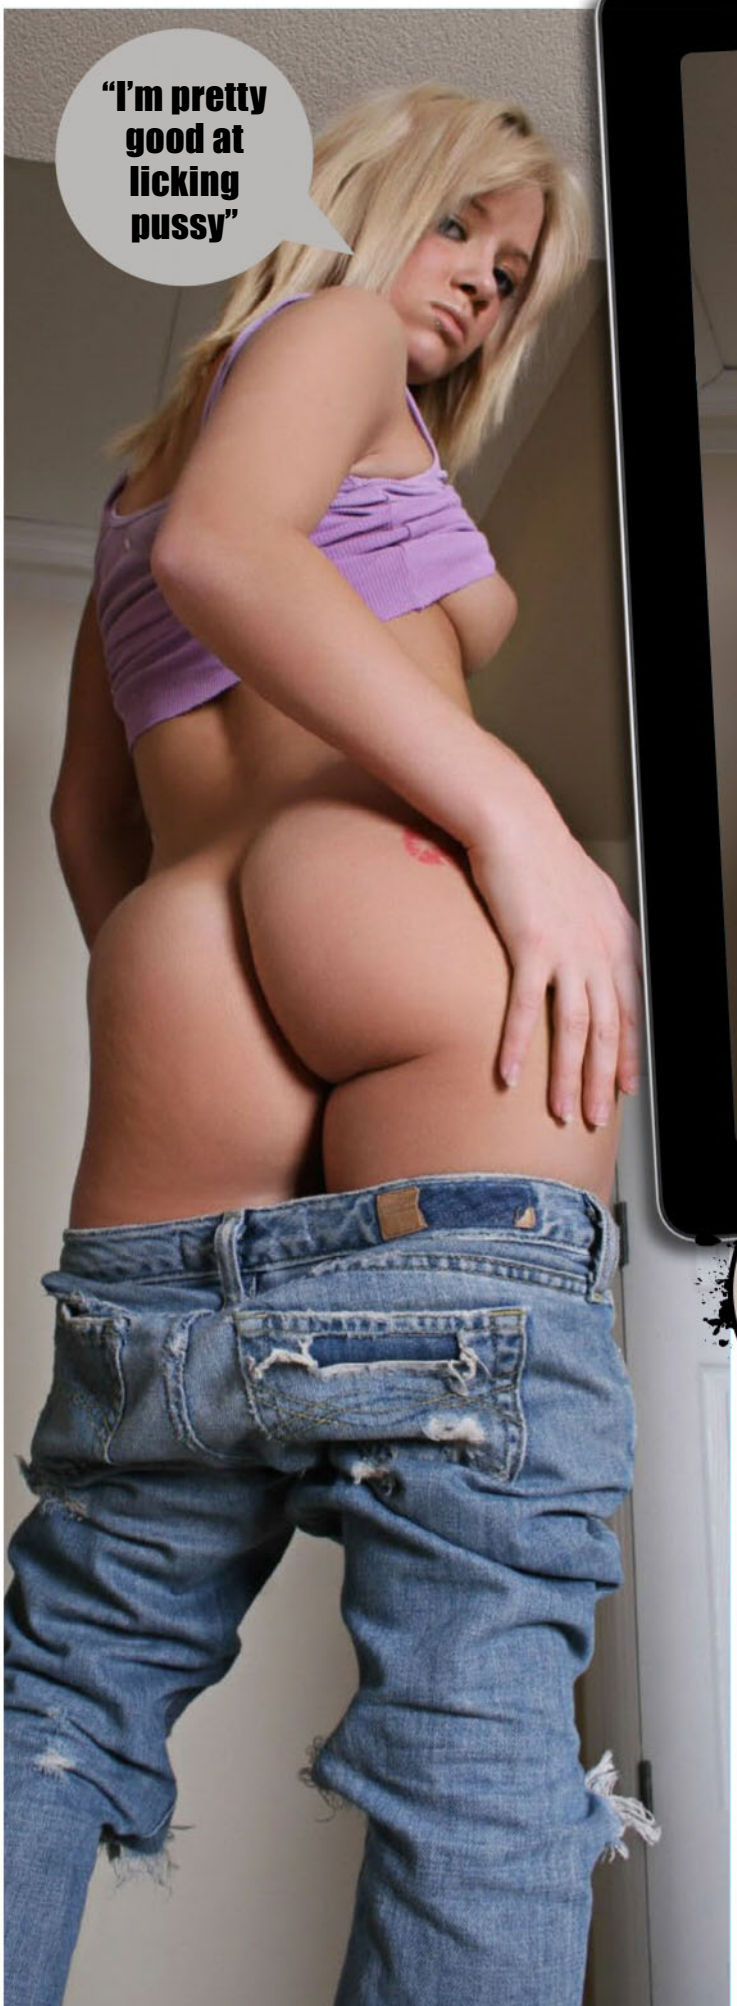
Alaska: "I was 16 and drunk. I would love to find her again." **Charli:** "I was 18 and it was with an older, much more experienced woman. She was beautiful, but kinky as all hell. I even wore a strap on. That sure was fun. It opened my eyes up to how beautiful a woman can be, no matter their age or size. I do have a boob fetish; no small ones, thanks. I need something to caress and hold."



MICHELLE
WORONGARY, QLD

Most blokes are scared of the 'friend-zone', but with 20-year-old waitress Michelle that seems like the perfect place to be. ***You like to have a good bunch of FUCK BUDDIES?*** "Yeah, having mates who you can root is the best thing ever. No drama, just sex and good times." ***So you don't believe in the friend-zone?*** "Well, I guess so, all the people I have sex with are my friends, I don't sleep with people I don't like." ***That makes sense. Is it ladies or men you fancy?*** "Usually it's men, but I'm not opposed to women – I've had some good experiences." ***Please elaborate…*** "I've been with two different girls, a few times each, and they were both really good. They were full-time lesbians though, so they really knew how to please another woman." ***And how were your CLAM CHOMPING skills?*** "I definitely need some practice, but I think overall I'm pretty good at licking pussy, maybe a few more attempts, but I'll get there."

WHAT WAS YOUR FIRST GIRL-GIRL SEX EXPERIENCE?

"It was a couple years ago; I slept over at a friends place and we were both kinda curious so we just started playing with each other and we both had a lot of fun."

GO FACT YOURSELF!

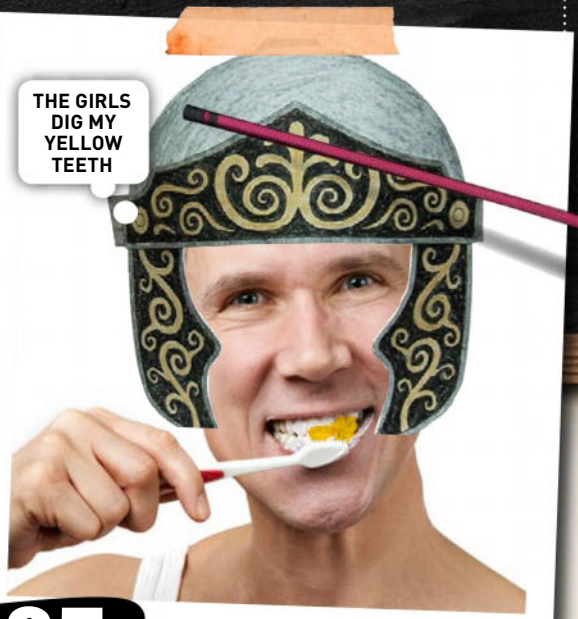
THIS ISSUE: URINE

01. If everyone in the world whizzed off Niagara Falls at the SAME TIME, the river of piss would take two and a half hours to tumble over the falls.

02. What is urine, exactly, we hear you ARKSE. Why it's two per cent salt, phosphate, calcium, urea and ammonium, which gives it its unmistakeable TANG. The rest is harmless water.

03. If you think GOLDEN SHOWERS sound like a bit of fun, spare a thought for the strawberry poison dart frog, who keeps his partner warm and wet by pissing all over them.

04. If you've ever been called a 'pissant' (and who hasn't, eh?), it comes from the name of a large wood ant whose home smells distinctly like wee-wee.



05. Upon discovering that urine is in fact sterile, the ancient Greeks took to it with GUSTO, and used it as an antiseptic. The Romans also used a concentrated form of urine as toothpaste.

06. In Singapore, where you NEVER (and we mean, never) smell the stench of stale wee, scientists have created a battery that produces 1.5 volts for nearly 90 minutes from ONE drop of precious peewee.

07. The most delicious of all the urine smells in the world belongs to the tiger. It has the scent, it is said, of buttered popcorn. It's a big playing field, urine.

08. There is a very rare genetic condition that causes piddle to turn black. Take a bow, Alkaptonuria. Some mosquito-borne diseases, such as Yellow fever and Blackwater fever also turn your wee interesting colours.

09. In French, dandelions are called 'pissenlit', which translates to 'pee in bed'. Wee... er, oui!
